Director

Dear Mr. Webster:

On behalf of Winston-Salem State University I express my thanks to the Central Intelligence Agency and the Office of Equal Employment Opportunity for making it possible for this university to receive a large shipment of surplus Agency furniture. The furniture will, indeed, fill a very vital need, and we look forward with great anticipation to future donations.

Concomitant with the furniture donations, your organization continues to be very active on our campus, participating in recruiting for full-time staff positions, placing students in Cooperative Education and Summer Intern positions, supplying visiting lecturers to conduct seminars for our Computer Science Department, while sending managers to speak to students during our Youth Motivation Task Force Program.

For all of this you are to be commended. I offer again my personal thanks and that of the university, to you and all who assist in the administration of your very effective affirmative action program.

Sincerely,

*Cleon F. Thompson, Jr.*
